

DYING GASP OF BASE BALL

Philadelphia and New York
For World Championship.

LEADERS OF TWO LEAGUES

Phillies Finished Barely to the Good in
American League, While New
York Has a Safe Lead in
National Contest.

The American base ball league closed yesterday and the National league closed also, Philadelphia being the pennant winner in the former and New York again in the other. There will now begin a series between these two teams for the championship of the world. There will also be a series between the National and American teams of Boston for the championship of the world. There will also be a series between the National and American teams of Boston for the championship of the world.

Philadelphia, the winner of the American league, ended only 14 points better than Chicago, losing one game and tying another with Washington Saturday. Detroit and Boston had a fight for third place, the former barely holding the place by one game. Boston, after playing erratically all the season, ended brilliantly by taking eight straight games. Cleveland led the second division, closely followed by New York, while Washington and St. Louis trailed along behind.

Since the early part of the season the New York Giants have led the National league, and they have never been seriously threatened, although Pittsburgh made a good bid, only to fall short. New York finished with a lead of about 50 points over the Smoky City lads. Chicago was well up in the league also, being third, with Philadelphia fourth. Cincinnati, which team started the season full of ginger, did not better than to lead the second division. St. Louis, Boston and Brooklyn, after playing more or less farcically, ended in that order, far below the others.

Ed. Ruelbach, the former Northern league star on the Barre-Montpelier team, ended the season well by pitching Chicago to a victory over Pittsburgh. New York had to drop one game of a double-header to Philadelphia Saturday. St. Louis and Cincinnati split even, as did Boston and Brooklyn.

FOR BOSTON CHAMPIONSHIP.

Collins' and Tenney's Men Will Meet This Afternoon.

Boston, Oct. 9.—For the first time on record two Boston league baseball teams will meet for a series of games. The agreement calls for seven games, beginning today at 3 and continuing daily until the games are all played.

The players of both teams are under contract, but will receive one-half the gate money besides after expenses have been taken out.

President Johnson has selected umpire O'Loughlin for the American league, while President Pullman will pick the official for the National league.

The Nationals will play their strongest team, while the Americans may be without the services of some of the stars, but will have some clever youngsters to work out.

On Tuesday the two Youngs will meet for a battle royal, and this should be an attraction in itself.

FOR WORLD'S CHAMPIONSHIP.

Supplemental Rules for the Philadelphia-New York Series.

Cincinnati, Oct. 9.—Supplemental rules for the world's championship games were announced by Chairman Herrmann as follows: All the games in Philadelphia and New York will begin at 3 o'clock, instead of 3:30, as heretofore announced. The official ball of the national league will be in use in all games on National league grounds, and the official ball of the American league in all games on American league grounds.

WORLD'S PACING RECORD.

Dan Patch Places It at 1:55 1/4 at Lexington, Saturday.

Lexington, Ky., Oct. 9.—Dan Patch, king of pacers, clipped three-fourths of a second from his own world's record of 1:56 Saturday, negotiating the mile in 1:55 1/4. A crowd of 10,000 persons was already in a high state of enthusiasm over the breaking of the 1905 race record and the world's three-hat record successively, and when Dan Patch's time was hung out, excitement approached frenzy. Cheering people threw their hats and wraps in the air and swarmed upon the track, despite the efforts of the policemen. The ovation continued several minutes.

BRADFORD THE WINNER.

High School Team Carries Off the Honors at I. A. A. Meet.

Woodsville, N. H., Oct. 9.—The second annual meet of the Upper Connecticut Valley interscholastic athletic association was held here Saturday. Bradford, Vt., high school won the meet with a total of 46 points. Woodsville high was second with 46 points, and Haverhill academy third with 17 points. In the contest for the highest individual score for a valuable medal offered by the association, Leonard of Woodsville was tied with Peters of Bradford.

MILEAGE BOOKS STOLEN.

Suspicious Characters Seen on Freight Train Near Roxbury.

White River Junction, Oct. 9.—It has been learned that the burglar or burglars who despoiled the safe of the Woodstock Railway Co. at Woodstock Thursday night carried off mileage books on that road covering about 4,000 miles. The respective numbers of these mileages are 8 and 9, which were tied together, and 54 to 59, inclusive. These were not among the effects found by the officers on the railroad track at Hartford where the hand car on which the burglars had travelled from Woodstock was pushed down the bank.

It was also learned from railroad employees that two suspicious looking men were seen stealing a ride on a freight train going north about 6 o'clock yesterday morning. One was tall, with bright red hair, and the other short, with a heavy black mustache. The men were heard from later at Roxbury, where they left the train.

Court Held in Baggage Car.

Louisville Ky., Oct. 9.—On board the same train on which he was returned to the scene of his alleged crime, Saturday James Fowlkes, colored, charged with assault on a white woman at Clinton, Hickman county, Ky., was tried, convicted and sentenced to seven years in the penitentiary. Court was held in the baggage-car on an Illinois Central train, because the authorities were afraid Fowlkes would be lynched if he was allowed to be taken off at Clinton.

GODDARD 5, MONTPELIER 0

Opening Foot Ball Game Goes
to Crimson and White.

AFTER A TAME CONTEST

Capt Knapp Scored Touchdowns in First Half—M. S. Played Fast Offensive Game in Last Few Minutes of Game.

Goddard defeated Montpelier in the first of their gridiron contests of the year, on the latter's campus Saturday afternoon, by a score of 5 to 0. With the exception of the last three minutes of play Goddard had all the better of the opponent. Then, after being pushed all over the field, the Montpelier boys woke up to their offensive strength and were making rapid progress to a touchdown when time was up. With a few minutes more they certainly would have tied the score.

The teams were evenly matched in weight and training, and the contest was fairly interesting. But it was far from the dead-in-earnest, grueling encounter which these two schools usually have. Neither team showed much dash or ginger. The work of Capt. Knapp of Goddard stood out prominently both in offense and defence. Knapp was the only consistent ground gainer, and when the ball was passed to him—and it was given to him almost always—there was pretty sure to be a gain. He made one run of thirty yards from the center of the field, that was the feature of the game. Hill was the only man between him and a touchdown. But Hill did his work well and brought down the runner on the 25-yard line. Sawyer at quarter ran the team well.

For Montpelier Bigelow at right half was the best man, although his partner, Wells, made some good gains. Bigelow found a hole in the right side of the Goddard line, and he plugged it for successive gains during the latter part of the game.

There was a ridiculously small attendance for a Goddard-Montpelier game when the whistle blew at 4:05. With Montpelier kicking off to Goddard, after a few short gains Goddard was penalized ten yards by Umpire Melver who claimed that Sawyer started on a quarter back run without going the necessary five yards to the side. Goddard put up a protest against the ruling, but to no avail. With 13 yards to gain Goddard was forced to punt, but immediately took the ball on downs. From her own 40-yard line Goddard carried the ball for a touchdown, without once being held for downs. Knapp aided greatly by passing six chalk lines on one run, and he finally crossed the M. S. line for the first and only touchdown. The attempt to kick failed.

Goddard kicked off this time and after a few plays M. S. fumbled. Goddard tried one play and also fumbled, the ball going to Montpelier. Here the crimson line stiffened, and M. S. had to surrender the ball on downs. With the play on Montpelier's 25-yard line Goddard started for another touchdown but the whistle sounded before one play could be completed.

In the second half Montpelier was more of a factor. Goddard kicked off, and the ball got through several men and rolled over the goal line. M. S. then punted from the 25-yard line to the center of the field. Goddard rushed back to the ten-yard line before being stopped. Mainly aided by Bigelow's skin tackle plays M. S. regained the distance, only to surrender the ball after Goddard had summoned enough men to the right of the line to plug up the hole. Back again as far as Montpelier's 7-yard line Goddard again marched with the ball. Here the blue and white men made a fine stand and took the ball on downs.

With only three minutes left they started a really strong offensive game and chewed up the right side of Goddard's line. On almost exactly the same play and with Bigelow running with the ball nearly every play they advanced from their own 7-yard line to the center of the field and then back still farther until the whistle sounded the relief to Goddard, with the ball within twenty yards to their goal line. The line-up:

BON-ACCORDS CHAMPIONS

Scored Grand Victory Over
the Rangers Saturday.

AFTER SEEMING DEFEAT

One of the Finest Contests Ever Seen in
Barre—Angelo Scampini Presents
the Scampini Cup to the
Winners.

"I take great pleasure in presenting this cup to the Bon-accord team," said Angelo Scampini at the Rangers' association football grounds Saturday afternoon at the conclusion of the final game between the Rangers and Bon-accords in the three-sided contest for the Scampini cup and the championship of the state. The Bon-accords on Saturday defeated last year's champion Rangers 4 to 3, and thus were presented with the Scampini cup and took the title of champions from the Rangers.

In the last twenty minutes of the game the plucky Bon-accord team turned seeming defeat into as brilliant and exciting a victory as was ever seen in the history of association football in this city. Up to that stage of the game the score stood two to nothing in the Rangers' favor, and everything tended to show that was the way the game was going to end. In the first half the Rangers had the better of the argument and through a penalty kick from the front of the Bon-accords' goal scored their first point, Burnett shooting the ball through. STRIKE CAUSES UNEASINESS.

Moscow Disturbance Seems to Be Reflected at St. Petersburg.

St. Petersburg, Oct. 9.—The strike at Moscow has spread to the bakers. The strikers are assuming a threatening attitude. The striking street railway employees have rendered many of the cars useless.

The strike movement at Moscow is causing uneasiness among the authorities at St. Petersburg, not only on account of the threatening nature of the demonstrations at Moscow, but also owing to the probability of their extending to St. Petersburg and other cities, and starting a wave of labor troubles similar to that which followed in the wake of the January disorders. The press despatches report that a gardener, an officer and a policeman have been killed by the Moscow mob. There is a strong strike sentiment among the St. Petersburg printers, and revolutionary proclamations are being distributed among the workmen, declaring that the Moscow events are the forerunners of another phase of the revolution.

A WONDER WORKER

MARVELOUS DISCOVERY FOR
THE CURE OF ALL FORMS
OF CONSTIPATION—NOT
A HABIT BUT A CURE
—YOU DECREASE THE
DOSE UNTIL CURED.

After many years of study and practice, a physician specialist has discovered the cure for constipation. It is called Chase's Constipation Tablet.

"I do not mean," said the physician to several of his colleagues announcing his success, "I do not mean just another pill that breeds the pill habit. My remedy is a cure. By gently forcing all the digestive organs to perform their functions it restores them all to health and strength."

"THE MORE, THE LESS."
"The more you take the less you need until you need none—for you are cured. My effort all along was to avoid the evil of the ordinary remedy which purges organs already weak and so makes the patient a slave to the pill. Remember—Nature expects every organ to do its duty."

Physicians have long recognized the fact that constipation is at the bottom of nearly every disease. It saps all energy, and makes life a burden; it opens the doors to all evil germs and makes the body too weak to resist them.

"THE VELVET WORKER."
This new discovery is in small tablets, easily taken, and they are packed in watch-shape bottles which fit the vest pocket. The tablet is mild, all vegetable, never gripes or injures the most delicate organs. But it does the work! So naturally and soothingly they stimulate and regulate and strengthen that they have been nicknamed "The Little Velvet Workers."

Don't shuffle along with this great burden! Be healthy, be strong, be happy. Read our offer:
